## Community Response Hub - Helpline

Rochford District is blessed with fantastic community support and we know that many groups/neighbours are already stepping in where our residents don't have immediate family or friends around them.

### **Are you still worried? Need some help?**

If your immediate neighbours/friends/family are not able to help you and you have no local support, **then please call us.**

If you need help with tasks like food shopping or you're just feeling isolated, **then please call us.**

### **Who are we?**

We are Faith, Community and Partner organisations working together, this includes the MegaCentre, Churches, Rayleigh, Rochford and District Association for Voluntary Service (RRAVS), Rochford District Council and a number of local volunteers from across the district, who have all signed up to support people in the community with their needs at this time.

### **You are not alone. If you need us, we're here.**

Your Community Response hub volunteers are on hand to answer your questions and help get you the support you need.

Unfortunately we cannot provide medical support and you are always advised to follow the government advice at [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus)

It's important to know that although we will do our absolute best to help as many people as we can, we have a finite resource, so please only call if you don't have other outside support. Save it for those who really need it. And if you do need it, then we're here for you.

**Call us on 01268 -779999**

Rochford District Council is providing regular updates in relation to the latest support and advice. Please go to [www.rochford.gov.uk/coronavirus](http://www.rochford.gov.uk/coronavirus)
